**Assemblyman Pedro Nava and the Tri-Counties
Central Labor Council Endorse Steve Hintz for
Treasurer-Tax Collector**

And the endorsements keep rolling in. Community leaders and organizations from the center, right of center and left of center are endorsing Steve Hintz for Ventura County Treasurer-Tax Collector.

Democrat Assemblyman Pedro Nava has just endorsed Hintz's campaign. Ditto for the influential Tri-Counties Central Labor Council.

Assemblyman Pedro Nava, whose district includes Oxnard and Ventura, is Chair of the California Assembly's Select Committee on California's Green Economy.

The Tri-Counties Central Labor Council represents roughly 85,000 working men and women and their families in Ventura, Santa Barbara and San Luis Obispo counties. Approximately 50,000 of the working men and women and their families the Council represents are in Ventura County.

"I'm honored to have Assemblyman Nava and the Tri-Counties Central Labor Council's support," said Steve Hintz. "It shows that my platform appeals to people across the political spectrum. My administration will be about getting things done. After all, it's your money."
